of Central Heights Church Missionaries

### FEBRUARY 2025

FEB 1

**Ruth Maxwell**  
SIM - Abbotsford  
[ruth.maxwell@sim.org](mailto:ruth.maxwell@sim.org)

Thank you for praying. Between Feb 5 and 11, I will be in Singapore connecting with the SIM East Asia office. It has been over 5 years since I was there. I have been invited to lead a discussion with the whole team at the office. I am planning on leading a discussion on how teams are impacted by relational skills and maturity. Please pray for the Lord's leading and enabling in this session. I have also been invited to meet with various team leaders. My desire is to listen well and encourage them. Again, thank you for praying!

FEB 2

**Matt & Teresa Guynup**  
P2C (AIA) - Abbotsford  
[guynups@hotmail.com](mailto:guynups@hotmail.com)

Please pray as we recruit players to our various tours. There are several teams that we are taking around the world this spring, and it's always a challenge to recruit players for them. Pray that God would prepare those on the trips to be impacted, and to impact others for the kingdom. Pray that all the participants would be able to raise the necessary funds to do the trips, and pray for the host teams that they would be blessed, and encouraged in their ministry by our partnership with them.

FEB 3

**Amanda Doerksen**  
SIM - Niger  
[Amanda.Doerksen@sim.org](mailto:Amanda.Doerksen@sim.org)

Hello CHC family! We returned to school on January 9 and it has been a good first month of reconnecting with students and remembering classroom routines. Please pray for my students as they're building on what we've learned in the first half of the year and are becoming more independent students. Please continue to pray for resolution and peace here. I submitted my residency permit for renewal in November. Please pray for the renewal process to go smoothly. Please pray for all of us here to continue trusting in God's plan and to follow His leading.

FEB 4

**Cynthia Friesen**  
Multiply - Thailand  
[kainos.warrior@gmail.com](mailto:kainos.warrior@gmail.com)

Thank you for your prayers for the ongoing ministries in Chiang Mai. Praise God for the recent baptisms of new believers Chuay and Pit who are now part of our Rim Khan MB Fellowship church plant, and as they share Good News to their neighbours and family. Pray for the follow up of the three Christmas outreaches by this village church in northern Thailand. Pray that new believers would form at least two new small groups in homes to study the Scriptures. Pray for the church as they reach out to new ministries north in Chiang Rai among the Hmong tribal villages where many including Thai Buddhists are still predominantly unreached. Pray for my growing relationship with the head teacher Khru Pai of the government school where I teach English and her interest in Jesus' love.

FEB 5

**Kelly Marie Damon**  
Pioneers - Ontario  
[kellymarie.damon@gmail.com](mailto:kellymarie.damon@gmail.com)

Three months have already passed. I have felt very welcome here and have settled in well. Thank you for your prayers, encouragement and support.  
Peace. Kelly Marie

**FEB 6**

**Ricky & Karen Sanchez**  
YWAM - Thailand  
[sierrasanchez@hotmail.com](mailto:sierrasanchez@hotmail.com)

Praise God for the many Christmas outreaches we were able to do, preaching the Good News to almost a thousand people in various schools and villages. Praise God for 'Mint' aged 14, who just accepted Christ this month at ALH! Please pray for our Discipleship Training School we are staffing, in both Bangkok and Chonburi, and for the 12 students we have. Please pray for us as we are discerning purchasing a building to host more DTS's in the future.

**FEB 7**

**J&C**  
Restricted Access Country

This month we leave Canada and begin our travels back to the field. Please pray for a blessing as we spend some time with family before leaving and for a blessing on our son for his first overseas travel.

Please pray for our new teammate who will join our team this month for God's blessing on him as he settles and begins language study. Thank you for your faithful work in this ministry.

**FEB 8**

**Paul & Angie Evans**  
Africa Inland Mission, Abbotsford  
[paevans@aimint.org](mailto:paevans@aimint.org)

We're thankful for new inquiries and applications received through December! Pray for much wisdom and discernment as we complete follow-up and help people move forward. Please pray for us as we head into mission conference season through early 2025 (Millar College of the Bible, Sunnybrae campus, BC, Missions Fest MB, Mission Fest BC, Chilliwack, Feb 13-15, and Prairie College, Three Hills, AB). Pray for good conversations and that the Lord would raise up people to serve with AIM to help bring the gospel to the unreached peoples of Africa. Pray for open doors and good partnerships with local churches. Pray for safety in travel and good health and energy as we move around in this busy season. Thanks for your prayers.

FEB 9

**Warren & Dorothy Janzen**

SEND Int'l - Abbotsford  
[wjanzen@send.org](mailto:wjanzen@send.org)

Pray for wisdom as we extend SEND ministry into another of the "Stan" countries. We are partnering with local leaders to elevate the level of medical training and delivery of clinical services in a major city. Through these relationships we can demonstrate and share the gospel of Jesus and build up disciples. Pray that our message is clear, our service compassionate and of high quality, and that the Spirit's power would be evident to all. Thank you for partnering with us.

**Gene & Grace Fox**

Int'l Messengers - British Columbia  
[grace@gracefox.com](mailto:grace@gracefox.com)

We're actively seeking volunteers for our summer evangelistic English-learning camps in Eastern Europe and Egypt. Please pray for people to respond with a yes. More importantly, pray for God to give the North American church a genuine concern for the lost and their eternal well-being.

Discussion continues with the fellow who may become Gene's successor as IM Canada's Director. Pray for God to make His will clearly known to him and his wife. If he's the right man for the job, then we expect the transition to be complete in summer 2026.

The war in Ukraine enters its third year this month. Pray for the safety and rejuvenation of our staff who remain there to serve housebound seniors and to serve wounded soldiers and families of fallen soldiers.

**FEB 13**

**Megan Rintoul**  
SIM - Bolivia  
[mkrintoul@gmail.com](mailto:mkrintoul@gmail.com)

Continue to pray for us (Megan and Matias), that our time in Canada would be a time of refreshing and reconnecting with friends, family and church family. Pray especially for Matias that he would be able to make a few special friends at school. Pray for me as I teach part-time that I would be able to build relationships with students that would allow for God-directed conversations. As the new school year starts in Bolivia, please pray for God's wisdom for teachers at Carachipampa Christian School as they build and renew relationships with students to set the tone for the year. Pray that each student would know God's presence and his love and find their belonging in him.

**Wendy Eros**  
Multiply - Japan  
[wendyeros@gmail.com](mailto:wendyeros@gmail.com)

The time for retirement has finally arrived. Please pray for me as I sort and pack up to return to Canada this year. Please pray for the ESL students as I am the last teacher sent through Multiply and now the ESL programs at the two churches will be closing. Pray the students will remember what they have learned through chapel times - and will give their lives to Jesus. Thank you for your prayers, support and encouragement.

**FEB 17**

**Mike & Karen Woodard**  
Power To Change - Abb.  
[mike@familylifecanada.com](mailto:mike@familylifecanada.com)

As mentioned in our last update, in September I took on the HR director role for P2C for up to one year. This has been a very challenging and demanding role! I'm learning so much and want to serve the 450 staff in an excellent way. Each day, I am reminded of my need for God's resources in every moment and decision. An example... This past Friday at 2:45 am, I received a call from Asia to let me know one of our Canadian staff serving there died of a heart attack. Each day seems to have a unique challenge and need. Please pray for strength and wisdom. Thank you for your partnership with us!!

TeachBeyond - Ukraine  
[kdfkentyc@yahoo.com](mailto:kdfkentyc@yahoo.com)

Our very good friend Dima, 55 years old, was taken just a couple of weeks ago. His assignments so far have been low risk and closer to home. Dima and his wife Nina run a family cafe. Without him, it will be difficult to manage. Please pray for them and their son Artur who is already somewhere near the frontlines, and their daughter Ira and her husband Vlad. Another friend, Yura Ivanchov (44 years old), is in critical condition with meningitis. His wife Jessie was a missionary with us here for my first couple of years. They got married and moved to the US more than 15 years ago. Please pray for Yura and Jessie and their four daughters. Despite all the concerns, we have much to praise God for.

**FEB 21**

**Rob & Judy Griffioen**

Good News International - Canada  
[rob-judy@gniministries.ca](mailto:rob-judy@gniministries.ca)

In Shan State, Myanmar, despite the ongoing ravages of civil war, the children in our Uncountable Grace ministry remain safe and have been able to attend school. Our partner-evangelists travel regularly into the far reaches of the opium producing areas to bring the Good News to the poor. Last year, many turned to Jesus and 34 were baptized. In our "Family of Blessing" in Thailand, we've been actively communicating with our partners John and Ann (now with 12 children in their care) to help guide them into a new chapter in their ministry. On the home front, it's been getting increasingly difficult for Judy to walk and climb stairs. We deeply appreciate your prayers for our ministries as well as for us. Your partners in the harvest, Rob & Judy

**Richard & Becky Szmuto**

P2C Films - Abbotsford  
[richard.szmuto@p2c.com](mailto:richard.szmuto@p2c.com)

Pray for us as we are in the beginning stages of producing material for our P2C conference, pray that we will find inspiring stories to share, and that they will be impactful, even beyond the conference. Currently we are also in meetings that will highlight our role in helping P2C Canada fulfill their goal of being a Hub of Evangelism as much of the messaging will be using video. Lastly, we are beginning to build a studio area that will be used for podcasts and other similar productions.

**Brent & Jody Nesbitt**

P2C - [Abbotsford](#)

[brent.nesbitt@powertochange.org](mailto:brent.nesbitt@powertochange.org)

Thank you for your prayers. Last week I suffered a serious hard drive failure, where I could not boot my computer, and everything on my computer (including backups) were lost.

This week, while recovery has taken some time getting things set up how I like them, I have been pleasantly surprised to discover how much of my day-to-day work is actually done online - and not dependent on my computer hard drive. Other than some personal notes, I really haven't lost anything important. Praise the Lord!

Anilee and Joseph are both back at college/university, and both feeling overwhelmed with the workload. Please remember them in your prayers as well.
