## MONTHLY PRAYER CALENDAR

of Central Heights Church Missionaries

### MARCH 2025

MAR 1

**James & Carolanne Warkentin**  
P2C (Digital Strategies) - Abb.  
[james.warkentin@p2c.com](mailto:james.warkentin@p2c.com)

Thank you for your prayer and support of us. This year James has been working on creating software that allows our Digital Strategies ministry to expand into more of a community-based mentoring focus. The DS ministry is hoping to begin creating safe communities for evangelism and discipleship in addition to the one-to-one mentoring we already do. Please pray for wisdom as James continues building the software to support these strategies.

On the family side, this year our kids are continuing with homeschool in grades 12 and 10. This has been a bit of a transition for us. These later grades are much more self-directed as they work with their online teachers on the various highschool courses. Please pray that they have the motivation and understanding to finish well.

MAR 2

**Warren & Dorothy Janzen**  
SEND Int'l - Abbotsford  
[wjanzen@send.org](mailto:wjanzen@send.org)

Thank you for your partnership in prayer. This month Warren travels to the Philippines to provide leadership training to two different groups, then makes a visit to SEND's work among marginalized Muslim peoples in the south. This work includes a teaching farm, student tutoring, village health work, and through each ministry the proclamation of the gospel of Jesus. Last month five fishermen were baptized - a huge step of faith in this hostile context. Pray for the Lord's protection and provision for them.

**MAR 3**

**Gene & Grace Fox**

Int'l Messengers - British Columbia

[grace@gracefox.com](mailto:grace@gracefox.com)

We're seeking volunteers for our summer evangelistic English-learning camps in Eastern Europe and Egypt. Please pray for people to respond with a yes. The fellow who we thought might become Gene's successor decided to pull his name from the interview process, and we're okay with that. However, that puts us back to square #1 in praying for the successor of God's choice. We will fly to Poland in late March for our annual staff conference. One of our Polish staff couples has asked us to come early to do ministry in their community before the conference. Grace will teach about God's names to a secular audience and at a women's retreat. Gene will present a message in their church plant. Please pray that we'll communicate God's Word well through translators.

**MAR 4**

**Doug & Cindy Rintoul**

**MAR 6**

**Amanda Doerksen**

SIM - Niger

[Amanda.Doerksen@sim.org](mailto:Amanda.Doerksen@sim.org)

Hey Church family! We are more than halfway through our school year. In February we learned all about electricity in our class. Here in Niger, we get to have some special conversations because generators, solar panels, and power outages are common. As we head into March this brings us to spring break, a welcome time of rest before the hot season, and the end of Ramadan. Please pray for our students as they solidify what they have learned this year and begin thinking ahead to next year. Please continue to pray for the provision of visas and residency permits. Several of us have submitted applications but are still waiting for approval or renewal. Currently, if we leave the country, we will not be able to return.

MAR 7

**Joan & Trever Godard**

Multiply - BC  
[joang60@gmail.com](mailto:joang60@gmail.com)

Last month I (Joan) had the opportunity to do a week of teaching at a local YWAM DTS. Trever & I also spent a few days with our dear Colombian friends and Panamanian Indigenous believers as we all experienced some Saskatoon winter days together. What a joy it is to see people eager to know God and make Him known! The call to discipleship still burns in Trever's and my hearts and we have opportunities to continue apprenticing people in their journeys with God, whether it's our kids & grandkids, our First Nations neighbours, or over zoom with people around the world. Please pray that we would daily respond to the invitations Jesus gives us to open our hearts and our doors, and the Word to the people we walk alongside of.

**Kent & Inga Friesen**  
TeachBeyond - Ukraine  
[kdfkentyc@yahoo.com](mailto:kdfkentyc@yahoo.com)

We recently encountered a few obstacles with regard to Inga's health. She was advised by a specialist not to travel so that her situation could be more closely monitored. Additionally, it was found that her body had an iron deficiency. Prior to this, Inga had also started taking thyroid medication which was causing her to gain weight. Among other things, it appeared as though she had developed sleep apnea. Tests showed that oxygen levels in her body were dangerously low. Praise God, all of this can be balanced and managed. It has become a priority to plan and implement changes in diet and exercise. (Room for improvement was also found in my habits.) This is all somewhat challenging, but we are making good progress as we continue to navigate 2025.

Please pray for our Missionaries in  
Restricted Access Countries

We recently received a very encouraging voice message from the pastor of the local church. They are so grateful to Central Heights for the Thanksgiving gift and will be using it to purchase media equipment that will enable people in remote locations to join their fellowship and teaching times throughout the week. Please pray for our brothers and sisters who travel significant distances and take great risks to gather together to fellowship and study the Word. Please pray for their unsaved family members and friends who will be fasting and praying to try and attain righteousness and earn Allah's favour during Ramadan (approx. dates are Feb. 28 – Mar. 29, 2025).

**MAR 16**

**A&K**  
Restricted Access Country

Since Christmas, our family has been continuing to pioneer a discipleship training school here in India. Please keep our students in your prayers as they go through a season of discipleship, missions training, and accountability and keep Andrew and I (Karlee) in your prayers as we also continued to take language classes and seek the Lord's heart for this nation. Our family plans to visit Abbotsford in June for a few weeks. We look forward to seeing you.

Multiply - Thailand  
[kainos.warrior@gmail.com](mailto:kainos.warrior@gmail.com)

Thank you for your faithful prayers for RimKhan Church Fellowship and for new baptized believers, Chuay and Pit (victims of the flood) who continue with Grampa Deng visiting neighbours to share Jesus' love. All three of these senior men were miraculously healed from their alcohol addiction and continue to be a blessing in the church and village. Pray for the spiritual battles. Pray for encouragement for Aire and Nui as they continue in their training to teach and lead in the village, sharing the gospel and making disciples. Please pray that RimKhan house church would multiply and a new house church would begin meeting regularly in LaoPaFang Neighborhood adjacent to RimKhan neighborhood. Pray for many open hearts and many to believe. Pray for M whose sister was tragically killed in a motorcycle accident and for healing for the family.

**Mike & Karen Woodard**  
Power To Change - Abb.  
[mike@familylifecanada.com](mailto:mike@familylifecanada.com)

I got this note. Truly a testimony of God's enabling not of my ability!

"I just wanted to say that I am very thankful for you and the example you set... I've especially noticed lately your posture of humility and dependence on God. Your heart before God and others inspires and encourages me greatly! I don't want to make you feel old (haha!) but when I see how you posture yourself, how you pray, how you treat others, it makes me feel so incredibly hopeful for the future. I think I've seen/witnessed a lot of "older" people who make me feel small. I really respect your wisdom and walk with God... you've always made me feel like a partner in ministry with you. Instead of small, you've made me as a "younger" person in ministry feel empowered. I feel hopeful and excited about what I can contribute. Thank you for being you and setting such a great, Godly example for all of us!" Thank you for letting me be used by God in this young staff member's life.

**Richard & Becky Szmuto**  
P2C Films - Abbotsford  
[richard.szmuto@p2c.com](mailto:richard.szmuto@p2c.com)

Pray for us as we gear up to produce video content for our upcoming P2C staff conference. It is the perfect time to share stories from our ministries and share how God is moving in Canada. Pray that we will give these stories the quality production they deserve and that the videos can be influential and inspirational.

**Rob & Judy Griffioen**

Good News International - Canada  
[rob-judy@gniministries.ca](mailto:rob-judy@gniministries.ca)

At the end of January the Good News International Ministries board of directors met in Wasa, BC, to evaluate our strategies for ministry. As we reviewed our mission, vision and values from five years ago, we were blessed to see all that the Lord has done through GNIM. Despite the pandemic and the civil war in Myanmar, our "Uncountable Grace" ministry has flourished. The children in our care remain safe and the gospel is going out into the opium-laced hills of Shan State. Our mission statement is now: "Gospel driven prevention of human trafficking in Southeast Asia." I've invited my daughter Amber to travel with me to Thailand in March with the aim of helping our ministries move forward into this God-given mission. Keep praying! God is moving!

**Wendy Eros**

Multiply - Japan  
[wendyerros@gmail.com](mailto:wendyerros@gmail.com)

Please pray for all of the farewells that will be happening through the next few weeks. It's difficult trying to wrap up many years of service in Japan and return to Canada. I have many mixed emotions and packing has been harder than I expected. I'm looking forward though, to seeing you all again sometime in April. Please pray for the students as the ESL classes wrap up in March. Pray they will remember what they've learned about Jesus and that they will invite Him into their hearts. Pray for the choir members to want to know more about God as they sing praises to Him weekly in practice. Thank you for your continued prayers and support.
