YWAM - Thailand

Please pray for the Global Sports athletes preparing themselves to come to Asia with us this summer and use their gifts to share the gospel in universities, church communities, orphanages and slums. Pray for Joseph Thoutenhoofd who is joining our mission! Pray for Ram, from ALH who started Bible College this month that he will stay the course. Please pray for us as we discern when to open a Discipleship Training School here. Praise God for school opening this month and our kids changing schools this year to better ones.

Please pray for the movie in June as it will be our last one before the summer break, and I pray many students will attend, along with some church members. Pray for energy for me during the hot, humid days. Rainy season is June-July and the mugginess makes most people want to stay in air-conditioned places. Pray for my health to remain good and that the constant temperature changes between going in and out of places won't cause me to catch a cold. Please pray for the churches to be more proactive in reaching out into the communities and that they don't continue to rely on the ESL teacher to draw people into the church. Thank you for your continued prayers, support and encouragement.

It was really fun attending Amanda Doerksen's graduation from the Masters program at Prairie College. Showing her family around campus and introducing them to my friends and family at Prairie felt like three very different chapters of my life were overlapping – Central Heights, SIM, and Prairie. I love these God-given inter-connections. They deepen our joy of being in His will even when our lives contain so much variance and diversity. Now I've learned that a young person I met in Nepal last October has been accepted into the same program at Prairie. Please pray for Anugraha. Pray for God's provision of her financial needs as she takes this huge step of faith and starts this program. (Feel free to ask me for updates if you want.)

Hello CHC! This has been an unusual school year for Sahel but God has carried us through. At the beginning of June, we have our closing assemblies where we will celebrate what we have learned and say goodbye to those who are leaving us. Please pray for all our staff and students as we say goodbye. We have families returning to their passport countries or changing locations of service, families leaving for home assignments and returning later in the year, students graduating and leaving while their parents will stay in Niger, and staff finishing their terms of service. Pray that people will be able to say goodbye well even though it is hard. Pray for those who are leaving to find the closure they need to look ahead with excitement.

Gene & Grace Fox
Int'l Messengers - British Columbia
grace@gracefox.com

Our office workload shifts into crazy-busy now as we help volunteers prepare for our evangelistic English-learning camps overseas. Pray for the preparation of their hearts, specifically that they will go with a servant mindset. Pray that they will lean on Christ's sufficiency when they feel insufficient. Pray for many unbelievers at the camps to place their faith in Christ.

Our Egyptian staff are following God's lead into several new Middle Eastern countries where their physical safety is a real concern. Pray for their protection and for open doors to share the Gospel.

Pray for Grace's ability to focus as she writes Names of God: Knowing Peace and prepares to launch Names of God: Living Unafraid on July 9. She could use a miracle at this point.

Celebrate with us as my co-worker (Ben), and our tenant (Anjalika) are now married!

Praise the Lord for a new Payroll Officer (Sarah) and Financial Controller (Lilly) who joined Power to Change last week. Please pray for each of them to have a smooth transition into their new roles.

Pray for Joseph, as he works and saves for another year at Trinity in the fall, and for Anilee as she determines her next steps for the fall (Bible school timing vs work). Praise the Lord that they both have good jobs for the summer.

Kent & Inga Friesen
TeachBeyond - Ukraine

Last summer while in Canada, we sought to shore up our financial support a little bit. We were blessed by people's response. A few of our long-time supporters increased their regular giving, and a few new people joined our support team. We returned to Ukraine well short of our goal, but very encouraged. Recently Inga has started teaching English online in addition to her regular students. One of our friends and her husband work for an IT company and there was an opening for an English teacher. Inga applied and was hired. The extra income will fill in any gaps we had in our support. God is truly amazing in the ways He provides. Inga is also excited about the additional opportunities to share her faith with these new students.

P2C Films - Abbotsford

We have been asked by our American colleagues to film a couple of Olympic athletes that are going to Paris this year for the games. We have since met Olivia, a speed walker who has agreed to be interviewed and we will be doing a profile on her that will appear on the Jesus Film app and website. Pray that this will go well and lead to more collaboration with our American colleagues.

In the past month our ministry partner (Sion & friends) baptized a dozen young people in Shan State. Five of these were from his children's home. Others were in a village in the remote opium producing hills. While we rejoiced to hear reports of good fruit, we were also saddened to learn that the six who were baptized in the opium producing areas were forced out of their village. Praise God that they have found temporary shelter and through Sion we've been able to help provide them with basic food staples. Pray that the Lord would provide for these obedient young believers in every way. Judy's pain levels have increased of late, but her faith remains strong. Thank you for your prayers!

JUN 16

Greg & Karman Sawatzky
Youth Unlimited - Abbotsford
greg@youthunlimited.com

Please keep our Spring ministries in your prayers as we continue doing twice a month Truck nights, start promoting our summer activities with our core youth and celebrate many youth who will be graduating this June. For truck nights, as it is lighter outside and weather is warmer, pray for wisdom and great connections as more youth and families are outside and checking us out! For summer trips, pray that the youth that need to be there and need the support would sign up. For our grade 12 students, pray for perseverance to finish their time in high school well, that our grad events would be an encouraging time where we can affirm them well and for a few of the youth that they would actually graduate!

As we near our last few months of full time language study we are beginning to look to the future. God has provided a position at a school here for C which she will start in September. Please pray that God will provide a job for J as well, and for wisdom and discernment as he starts this process. We will also welcome our new team member this month so please pray for abounding wisdom and grace as we take on this new role.
