## MONTHLY PRAYER CALENDAR

of Central Heights Church Missionaries

### JULY 2024

JUL 1

Pray for our elected leaders - for wisdom, discernment, integrity, grace. Pray that they would experience physical, emotional and spiritual well being and would have the courage to do what is right. Pray that Canada would be a nation that demonstrates righteousness, justice, compassion and generosity. Pray that the Holy Spirit would bring renewal across Canada.

JUL 2

**Matt & Teresa Guynup**  
P2C (AIA) - Abbotsford  
[guynups@hotmail.com](mailto:guynups@hotmail.com)

Please pray for the follow up that is happening in our partner countries. Our teams have been able to share the gospel with over 1,000 athletes, and hundreds of coaches, and now our Athletes in Action teams are working to connect with those athletes and coaches to help them to take their next steps to grow in their relationship with God. Pray for that process. It takes so much time and effort!

Also pray as we try to follow up with tour participants to help them to solidify the things they learned on tour. God spoke to each person on tour, and we want to help them to remember those words, and not slide back to bad habits, or the lies they may have believed before God spoke the truth to them. Pray that God protects, and grows that which was planted in them, and that we are able to be a part of that work.

**Ruth Maxwell**  
SIM - Abbotsford  
[ruth.maxwell@sim.org](mailto:ruth.maxwell@sim.org)

On my next trip to Thailand, I will meet with a large team at their annual retreat. I will be leading 4 sessions – one session each afternoon. Please pray that the topics we are discussing will be valuable to them as they work to create community together. I know a few of the team members. Most of this team I have never met. Please pray I will remain sensitive and alert to the Lord's leading in each conversation. Thank you for praying!

**Joan & Trever Godard**  
Multiply - BC  
[joang60@gmail.com](mailto:joang60@gmail.com)

Trever has retired from his work with Multiply and has begun local volunteer work- pray that this will yield fruitful discipleship opportunities. I continue working in Member Care. Praise God for the faithful ways in which global workers care for the needs of so many people. Oftentimes they put aside their own needs thinking they can attend to them later. I invite you to join me in asking the Lord to bring to mind specific people who serve globally and pray that He would fill them with His sweet presence and give them wisdom in their care for others, their families and themselves.

**JUL 7**

**Warren & Dorothy Janzen**

SEND Int'l - Abbotsford  
[wjanzen@send.org](mailto:wjanzen@send.org)

This month I leave to participate in training 21 new people who will soon be deployed to their ministry sites around the world. Praise God for those who have committed to cross borders, languages and cultures in order to bring the presence and the message of Jesus to the unreached. Pray that our training would be effective in preparing them for this massive transition and launch into ministry. Pray also for the planning retreat Dorothy and I will host with our international leadership team right after the training event. We will be waiting on God together to guide us.

Youth Unlimited - Abbotsford  
[greg@youthunlimited.com](mailto:greg@youthunlimited.com)

Recently we had our final after school club of the year (an ice cream party) and we had our largest group of kids come out. It was a fun way to show them that we care! Also it was our last club for many of our student leaders who will graduate this year. After club we debrief and pray with our student leaders. One of them calls this "Jesus" time and noted that this will be our last "Jesus" together. I told him that I would be happy to keep praying with him! Please pray for our summer day trips, for safety, fun and meaningful conversations. Also pray for 4 girls going to Rwanda this summer that their hearts would be touched.

**JUL 11**

**Wendy Eros**  
Multiply - Japan  
[wendyeros@gmail.com](mailto:wendyeros@gmail.com)

Please pray for the students and churches as we prepare for our August summer break from classes. Pray for me to have lots of energy during the very hot days in July. The humidity is already quite high so it adds to sleepless nights. Thank you for your faithfulness in praying for my ministries in Japan and I'm so grateful for your financial support which makes all of this possible. Blessings to you and your families .

**JUL 12**

**Amanda Doerksen**  
SIM - Niger  
[Amanda.Doerksen@sim.org](mailto:Amanda.Doerksen@sim.org)

Hello Central Heights family! July marks the middle of our summer as well as our rainy season. A lot of the Sahel community leaves for the summer so it is pretty quiet here at the moment though there is lots going on behind the scenes at school. Our next school year starts on August 14 so our school administration is working hard to get everything ready for the teachers and students to arrive back on campus. Thank you for praying for rest for those of us who stayed in Niger for the summer. Please continue to pray for the country of Niger for resolution and restoration. It has been difficult with the cost of every day goods rising and an increase in difficulty in getting visas.

**JUL 13**

**Ricky & Karen Sanchez**  
YWAM - Thailand  
[sierriasanchez@hotmail.com](mailto:sierriasanchez@hotmail.com)

Praise God for a new school year in Thailand. This year we were able to send 5 children to christian and catholic schools thanks to a sponsor, and the kids are so much happier now, than when they were at the temple schools. Please pray we can send more children in the future to good schools. Praise God for our ministry in Cambodia and being able to provide hot meals at school to 200 children living in the slum in Poi Pet. Pray for our Global Sports mission trip this month to Thailand, Cambodia and Philippines, for many university students to come to faith in Christ during our mission. We are asking God for salvations, healings and delivering people.

**JUL 14**

**Gene & Grace Fox**

Int'l Messengers - British Columbia  
[grace@gracefox.com](mailto:grace@gracefox.com)

In January, we asked prayer for co-workers living in Lebanon. This Syrian couple and their three children have gone into hiding after receiving threats of kidnapping. The threats are real, and they come because he led the nephew of a prominent Muslim imam to faith. Also, the Lebanese government is deporting Syrians to their homeland. If this couple was deported, the husband would be immediately imprisoned in Syria for his role in the imam's nephew's conversion. This would mean death for him, and the children would be taken from their mother. Gene is currently working with MCC to process their immigration to Canada, but this could take a couple of years. Pray that, if God wants this family in Canada, he will part the sea to make it happen sooner.

**Kent & Inga Friesen**

TeachBeyond - Ukraine  
[kdfkentyc@yahoo.com](mailto:kdfkentyc@yahoo.com)

The small group of English teachers that Inga and I have gotten close to are slowly dispersing. One of them just returned from visiting her husband in Canada. She and her son plan to go and join him, but they are unsure when. Another of these teachers and her husband, with their two young children, also have intentions of moving to Canada. They may have to wait until the war is over so that he can leave Ukraine freely. A third teacher is in the process of trying to sell her home and property here. Her two grown children are living in Germany, and she would like to join them. The picture of ministry here is ongoing, yet ever changing. We praise God for giving wisdom and ability to adapt.

We are excited to announce that we are expecting and are due in November. Please pray with us for health for both mom and baby. Also we are nearing the end of language study so please pray for motivation and that our conversations with neighbours and friends will continue to deepen with our growing language.

**Brent & Jody Nesbitt**  
P2C - [Abbotsford](http://Abbotsford)  
[brent.nesbitt@powertochange.org](mailto:brent.nesbitt@powertochange.org)

The big news around our department at the moment is that my co-worker Ben just got married! And he married our tenant, Anjalika! (Then my niece got married 3 weeks later). And with Joseph and Jody's birthdays thrown in there, it's been an unusually busy month. So we are back to just the Nesbitts in our home once again, and are praying about whether to re-rent a room, to whom, and when. Pray for Anilee as she discerns whether to continue working next year, or attend Summit Pacific Bible College in September. And if she attends, whether or not she should live on campus. And pray for the launch of our new app: BillingMachine. It is replacing a very complex and fragile spreadsheet system, and while it is not 100% "done", it will already be being used by the time you read this report!

**JUL 22**

**James & Carolanne Warkentin**

P2C (Digital Strategies) - Abb.

[james.warkentin@p2c.com](mailto:james.warkentin@p2c.com)

Thank you so much for praying for us over the past months. God is using this ministry to make a significant difference in the lives of people around the world. A team member recently shared this story from the mentoring ministry. Mary\*, a young adult student in Georgia, US has been struggling with self-harm since February and has been very suicidal - she actually called emergency for help and felt no one really cared for her. One of our mentors has been walking alongside her and encouraging her to consider surrendering her life to Jesus: This is what she said last week to her mentor: "I have never said the sinner's prayer inviting Jesus as my personal Savior could you lead me?" Please continue to pray for this young woman and the many others who write to us daily looking for help and hope.

**JUL 23**

**Toño & Giovanna Guzman**

La Cantera Church

Guadalajara, Mexico

Please pray for La Cantera and for Yoselin that God shows us the plans to put into practice what she learned (on her mission) in Thailand. God bless you!

**JUL 24**

**Greg & Becky Ouellette**

Multiply - Abbotsford

[grego@multiply.net](mailto:grego@multiply.net)

I am working with some new & existing global workers who are low on funding. Pray that God would lead just the right people to them to help with this. Becky & I will be in Colombia July 9 - Aug 8 visiting our son & daughter in law and their boys. We are looking forward to getting to know our daughter in law's family and country of birth better! Pray that we would be an encouragement to them. Holy Spirit lead us and teach us, show us your heart for the people of this country. Thank you for praying, it makes a difference.
