of Central Heights Church Missionaries

### AUGUST 2024

**AUG 1**

**Ruth Maxwell**  
SIM - Abbotsford  
[ruth.maxwell@sim.org](mailto:ruth.maxwell@sim.org)

Thank you for praying for the Thailand trip in July. Please pray for quality follow up conversations as I now try to encourage the team from here. During August I am looking forward to enjoying a BC summer – whatever that looks like. It is a good time of year to be here at home!

**AUG 2**

**Richard & Becky Szmuto**  
P2C Films - Abbotsford  
[richard.szmuto@p2c.com](mailto:richard.szmuto@p2c.com)

We are now in the final stages of providing videos of Olivia Lundman, a speed walker who will represent Canada at the Paris Olympics. Pray that the three videos we produced of her will inspire many people as she shared her story of athletic competition, mental health and faith. She is an extraordinary young woman who has a great story to tell. These videos will be available through the Jesus Film app and YouTube channel.

**AUG 3**

**J&C**  
Restricted Access Country

We are just finishing our language classes together and are transitioning into working here on the Island. Please pray with us as we try to figure out what God is leading (J) to do and for a healthy pregnancy for ©. As always pray for God's will to be done on this Island and for many to hear and receive the good news!

**AUG 4**

**Kent & Inga Friesen**  
TeachBeyond - Ukraine  
[kdfkentyc@yahoo.com](mailto:kdfkentyc@yahoo.com)

A man from our church here fighting in the war was with a small unit of soldiers. They had found an abandoned house and were using it as their temporary shelter. He made preparations to venture out and find some water and the soldiers with him explained that they saw God's hand of protection over him. Convinced that he was being prayed for, they believed God was with him. Wherever he was going, they were determined to go with him – even just to get water. All of them went out together. While they were away searching for water, a missile struck the house where they had been taking shelter and completely destroyed it. Had any of the soldiers stayed behind, they would have been killed.

Praise God for His protection!

**AUG 7**

**Joan & Trevor Godard**  
Multiply - BC  
[joang60@gmail.com](mailto:joang60@gmail.com)

There are many opportunities to serve locally in the communities around us and Trevor has begun volunteering with migrant, seasonal workers. Please pray for Holy Spirit's wisdom and love in conversations and service with people who are often marginalized and lonely here. Life for global workers often has spiritual, emotional and physical challenges we would not experience in our home cultures. Please pray for Joan in her care for these precious workers, for the Lord's words of wisdom, the ability to listen with discernment, and understanding of how to comfort the weary ones. (Isaiah 50:4)

**AUG 8**

**Greg & Karman Sawatzky**  
Youth Unlimited - Abbotsford  
[greg@youthunlimited.com](mailto:greg@youthunlimited.com)

Pray for: -our ICTC team that we would work well together, being led by the Holy Spirit, and for more volunteers to join us in this ministry.  
-youth and families to be open to the love of Jesus and have a hunger to know Him!

-three youth and one volunteer going to Rwanda this summer as part of the Elevation Experience that their hearts would be open to the love of God both for them and for the people they serve.

-our many graduates as they dream about life after high school and pursue work and university that they would experience God's presence and love in this time of great excitement and nervousness.

-our summer day trips as we take youth on weekly outings, for safety, fun and meaningful conversations.

Thank you for your prayers and encouragement. I've been back in Japan for over two years now and time is flying by. Please continue to pray for the students and choir members. Pray for our choir concert in Nagoya coming up at the end of November and that as we sing the Holy Spirit will fill the auditorium. Pray for me to have a great visit with my sons and grandchildren in August. I hope to see many of you while I'm in Abbotsford. Blessings to you and your families.

Power To Change - Abb.

[mike@familylifecanada.com](mailto:mike@familylifecanada.com)

Evangelism has been described as the cutting edge of all kingdom activity. This summer I'm working on a special project to research what is happening with evangelism within P2C and other ministries nationally and internationally. The desire is to create a Hub of Evangelism: a space (physical and virtual) where ministries, churches and a new generation of believers come to be resourced for evangelism. To accelerate evangelism across Canada and the whole world! Please pray that God will give me wisdom!

**AUG 13**

**Matt & Teresa Guynup**

P2C (AIA) - Abbotsford

[guynups@hotmail.com](mailto:guynups@hotmail.com)

Thanks for ongoing prayer for my ministry, and the ministry of so many others that this church supports! This month please pray for the decision making process of the global missions department of Athletes in Action as we decide what tours will look like next spring and beyond. Also please pray as I am in the middle of raising money to fund these trips. We are always overwhelmed by God's faithfulness and appreciate your prayers!

**AUG 14**

**Ricky & Karen Sanchez**

YWAM - Thailand

[sierrasanchez@hotmail.com](mailto:sierrasanchez@hotmail.com)

Praise God for our annual Global Sports in Asia mission trip! We saw dozens of young athletes give their hearts to Jesus, as well as many people healed and a number of young people delivered from being tormented by evil spirits, nightmares and anxiety. Please pray for discipleship for these people, that they would plug into a local church near them. Pray for the athletes who came from N. America, to stay strong in their new habits of being in the Word each morning, sharing their faith, and praying for healing for strangers. Pray for the ministries we partner with in Thailand, Cambodia and Philippines as they raise up the next generation to stay strong in their faith.

**AUG 15**

**Gene & Grace Fox**

Int'l Messengers - British Columbia  
[grace@gracefox.com](mailto:grace@gracefox.com)

Gene is participating in street evangelism and an English-learning evangelistic day camp in Poland early this month. Pray for the Holy Spirit to draw unbelievers to saving faith in Christ. Grace will attend a Christian booksellers convention in Indiana. Pray for favor for her new book, *Names of God: Living Unafraid*, so Christian retailers will choose to give it shelf space in their stores. We're heading to Romania in mid-September to host a camp for young adults living with HIV/AIDS. Pray for unity on our team of nine, and for Grace as she prepares the teaching talks. Pray for energy, health, and safety as we travel and minister. Pray for David—a team member whose wife recently died. Ask God to accomplish a good, deep work in his life.

**Amanda Doerksen**

SIM - Niger  
[Amanda.Doerksen@sim.org](mailto:Amanda.Doerksen@sim.org)

Hello Central Heights family! We've entered into rainy season so we've swapped our hot days for humid days. It's been nice to have a slower and quieter pace of life this summer and to rest after a challenging year. We've recently learned that the person who was going to be our new school director is no longer able to fill this role. Please pray for us as we seek to find someone to help fill this position at such short notice. Another challenge that has arisen this summer is a difficulty in getting visas. Our next school year starts on August 14. Please pray for our school as we are already understaffed and are now waiting and praying to know if some of our teachers will be able to arrive or not. Please continue to pray for the country of Niger for resolution and restoration.

**AUG 19**

**James & Carolanne Warkentin**  
P2C (Digital Strategies) - Abb.  
[james.warkentin@p2c.com](mailto:james.warkentin@p2c.com)

Thank you for your prayer for us and this ministry. The summer season is often a bit quieter, with many staff taking time off to spend with family or on holidays. For me it is often a time to catch up on tasks that have been further back in my todo list. One area I have particularly been focusing on is the development of mobile apps that our mentors can use to keep in touch with their mentees. This is also an area of programming where I'm still learning. Pray that these apps would be put to good use and would bring significant improvement to the communication between mentors and mentees. Continue to pray also for our visitors and for the mentors who respond to them, that they would have the opportunity to clearly present Jesus.

**Rob & Judy Griffioen**  
Good News International - Canada  
[rob-judy@gniministries.ca](mailto:rob-judy@gniministries.ca)

Dear Church. Thank you for your prayers and support. It's a true blessing to know CHC has our back as we press on in life and mission. Thank you especially for praying for Judy. Her struggles against the ravages of Complex Regional Pain Syndrome remind me of how people describe the weather in Thailand. They say there are 3 seasons there - Hot, Hotter and Hottest. For Judy, the pain level is almost always hot. In the evenings, it often swings to hotter or hottest. Even so, by God's grace, she loves to laugh, loves her family, and loves to be on God's mission. As we plan our next trip to Thailand (for October), please pray for God's provision and that we will have health and strength to carry on.

**AUG 23**

**Warren & Dorothy Janzen**

SEND Int'l - Abbotsford  
[wjanzan@send.org](mailto:wjanzen@send.org)

This month holds many special summer outreaches across the SEND world. Summer camps, adventure camping/hiking, special language lessons (English, German, Spanish, etc.), specific services to families with young children. Please pray that through these events participants will encounter hope, healing, redeemed relationships and empowerment through Jesus. Please continue to pray for an end to the war in Ukraine.
