Joan & Trever Godard

Multiply - BC

joang60@gmail.com

There are many opportunities to serve locally in the communities around us and Trever loves volunteering with migrant workers. Please pray for Holy Spirit's wisdom and love in conversations and service with people who are often marginalized and lonely here. Joan finishes a 2 yr. Spiritual Direction program the first week of November and is discerning opportunities to serve global workers with spiritual direction. We praise God for our growing family with grand baby #8 due mid November. Please pray for our daughter Kenia & son-in-law Edward as they adjust to changes that a baby brings, while they continue their ministry with YWAM Oliver and church ministry in Osoyoos.

NOV 2

Ricky & Karen Sanchez

YWAM - Thailand

sierrasanchez@hotmail.com

Praise God for the recent increase in new believers at Zion Church! We have done evangelism and outreaches for many years in the village, and finally some villagers are brave enough to attend church without backlash from the community. Pray for more students for the DTS (Discipleship Training School) we are staffing in Bangkok in January with YWAM. We are praying for 15 more students. Please be in prayer for a Laotian woman named DAA who is very close to accepting Christ. Pray for our Thai pastors, Gideon and Fone as they serve and lead.

NOV 3

Ruth Maxwell
SIM - Abbotsford
ruth.maxwell@sim.org

I'm so thankful for the many individuals I was able to connect with during my recent trip to the US and the UK. It was wonderful to see how God is at work in the hearts of young people as their parents and other adults in their lives have remained faithful in their love for God. Faithful following grow faithful followers in the next generation.

Wendy Eros
Multiply - Japan

Please pray for the upcoming OneVoice gospel choir concert on November 24th. Pray for the choir members to come to know about Jesus through the songs we sing as well as the times I'm able to share the meaning of the songs. Pray for me for energy as I prepare for the Christmas events at both churches and with the choir members. Pray the truth of Christmas will be understood and that we celebrate Jesus' birth. Thank you so much for your kind wishes and encouraging messages. I'm so grateful to have all of you praying for my ministries in Nagoya, Japan.

NOV 7

Gene & Grace Fox
Int'l Messengers - British Columbia
grace@gracefox.com

Praise God for a safe and fruitful trip to Romania and Portugal. Pray for the Holy Spirit to continue the good work He began in the lives of those who attended the camp for young adults and families infected with HIV/AIDS. Pray for the miracle of physical healing especially for Bogdan, a young man who feels called to be a pastor to those suffering with this disease. Pray for our staff in Lebanon. Recent air attacks have left their children traumatized and fearful of all loud noises. These courageous people continue sharing the Gospel and are providing meals for the displaced as they are able either by cooking in their own homes or at a church that is sheltering hundreds. Pray for God's direction as conversations with a potential successor continue.

Kelly Marie Damon
Pioneers - Ontario

All the boxes arrived and so did I! I'm in Ontario and am slowly gathering all that I need for my little suite. Each day is feeling a little more settled. In November we have training for new candidates who are preparing to go to the field in the next six months. Thank you for your prayers for them and for me as I learn this new position.

NOV 11

Amanda Doerksen

SIM - Niger

Amanda.Doerksen@sim.org

Hello CHC family! Thank you for all your prayers for our grade 2 teacher. She received her visa and arrived at the beginning of October. This is a huge blessing to us and now my class (gr 4/5) is the only combined grade in elementary. The way our curriculum is set up made it quite challenging for the gr 3 teacher to have a combined group. Please continue to pray for resolution and peace in Niger. There are continuing instabilities in the country. Please also pray for our staff as we are preparing for our ACSI certification visit next year. We have a lot of things to do so that we are ready for our visit next fall.

Rob & Judy Griffioen

Good News International - Canada

rob-judy@gniministries.ca

Greetings Central Heights Church! Currently I'm writing this from Mae Sai, Thailand, overlooking this flood impacted region north to Myanmar. Judy and I are with a team of five women who came to learn about our ministries in this area. Judy's pain makes traveling a challenge but her love for these kids never changes. Yesterday, we participated in worship and baked cookies with our Family of Blessing home in Chai Prakan. This home has grown significantly and there are many needs to be met. Tomorrow we will meet the leaders and children of our Uncountable Grace ministry from Shan State, Myanmar. Afterwards, we plan to travel to southern Thailand to also meet with our ministry partner, Pia. Please keep us in prayer as we discern God's leading in these ministry partnerships.

NOV 15

Kent & Inga Friesen
TeachBeyond - Ukraine
kdfkentyc@yahoo.com

We find ourselves continually saying “wow” in response to the things God does and how He provides. We are truly blessed. We are grateful to be able to help others as we have been helped, and to stand with others in difficult times as many have stood with us. May we never take for granted the blessings we have received, so that God might bless others through us. As we continue in our efforts to share God’s love, we recognize it’s by His great and unfailing provision that we are able to do so. It is impossible to overstate our thankfulness to all those who faithfully pray for us and support us financially. Without you, we would be isolated and overwhelmed. God bless you as He blesses us through you.

Brent & Jody Nesbitt
P2C - Abbotsford
brent.nesbitt@powertochange.org

We are so thankful for you who support us in prayer, for our children who are pursuing God wholeheartedly, for our marriage, which is one that spurs one-another on in our faith, for the neighbourhood in which God has placed us for over 20 years, for our jobs, which allow us to earn much more than we need, and which allow us both to pray/study the Bible/worship as a part of our jobs, for our community group which allows us to contribute to the Body of Christ in a focussed way, and for our ongoing hope for the future which remains entirely under control, in God's hands, despite what it may look like.

Continue steadfastly in prayer, being watchful in it with thanksgiving.
(Col 4:2)

Mike & Karen Woodard

Power To Change - Abb.

mike@familylifecanada.com

The News... Our Power to Change HR director stepped out of the role with short notice last week. I was asked to be the interim HR director for up to a year. This interim period of time will allow space for a review of the HR and Payroll/Benefits operations with the goal of making changes before engaging a new director. As you can imagine, with an organization of approximately 400 staff, this is a significant undertaking. There are parts of the role that are very familiar. Other parts that will mean a steep learning curve! Please pray for me and the HR team as we adjust and respond to the needs around us.

James & Carolanne Warkentin

P2C (Digital Strategies) - Abb.

james.warkentin@p2c.com

Praise the Lord with us for a young woman who has been in conversation with one of our mentors for over two years and just recently gave her life to Christ. She is now attending an evangelical church with friends and has been invited by the mentor to a follow-up series to help her and her friends grow in faith.

Please continue to pray specifically for the mentors who serve with our ministry. Often it can be disheartening when they don't see much progress in a person for a long period of time. However, praise reports like this remind us that God continues to work in people's hearts, even over the long-haul.

NOV 23

Richard & Becky Szmuto

P2C Films - Abbotsford

richard.szmuto@p2c.com

We are excited to partner with Family Life Canada as we prepare for a trip to Mistissini Quebec. We will be producing a video series and content for Family Life as they continue to serve the First Nations community with directed messaging that will speak to the indigenous people. Pray that we will provide not only high level production but meaningful and insightful to its purpose.

NOV 24

Warren & Dorothy Janzen

SEND Int'l - Abbotsford

wjanzen@send.org

Thank you for your prayers on our behalf! This month SEND leaders representing the 27 countries where we work are coming together for one week of worship, prayer, reporting and planning. I (Warren) am chairing this week of meetings. Two days prior to that we are orienting a group of 12 younger leaders in the organizational dynamics of an inter-denominational and international non-profit organization. Then for two days after this conference we are training a group of eight new field leaders in their new roles. I along with some colleagues will provide this training and orientation. Please pray with us for safe travels, good health, and great connections during this time together. Pray that the Holy Spirit would have the loudest voice in the room. Pray also for Dorothy and Austin as they are at home. Something often happens while I am away on these trips - pray for their protection.

Thanks so much for standing with us in prayer!

NOV 25

Greg & Karman Sawatzky

Youth Unlimited - Abbotsford

greg@youthunlimited.com

As we move towards the Christmas season, pray for opportunities to engage with youth and families about Jesus. Pray for our ongoing after school club and Truck nights that many youth would know and experience the love of Jesus through these times together. Pray for God's wisdom and leading for our team as we try to be the hands and feet of Jesus in a community that doesn't yet know Him.
