MONTHLY BIBLE OVERVIEW

>>> PRESCHOOL

If you've ever been near a playground when an airplane flies by, you know the sound of the airplane is quickly followed by the sound of kids shouting with excitement! Their innate sense of wonder is immediately turned up as they ask questions like: Where do you think that plane is going? How can it fly so high in the sky? We know God has plans for each of them, and as they grow, they will go to even more places that might be even further away. We want to make sure that wherever they go, they can look to God with a trusting heart and say, "Let's fly!" because they know God is always with me.

ELEMENTARY <<<

There are a lot of choices that we need to make in life. Some of those choices can help us grow and shape us positively. Others can pull us in different directions, leaving us struggling to figure out which choice is best. What do we do when we're confronted with all of these choices? Do we rush ahead? Or do we pause and let God lead us toward the best way to act? Self-control is a fruit of the Spirit. It's one of the ways we can tell that God is transforming our lives and that we're growing in our faith. Thankfully, we don't have to find self-control on our own. When we follow Jesus, God's Spirit is with us and helps us make the wise choice.

>>> Potty Training - Policy Update

As we enter another season, we know some kids may be in the midst of potty training currently. To minimize challenges for your children as well as to help our leaders in the nursery and preschool, please read the potty training policy we have below and let us know if you have any questions.

While kids are in the process of potty training (i.e., still having regular accidents or need to be prompted/reminded to go to the bathroom by a leader) we recommend that kids come to Kids Church, whether they are nursery or preschool aged, in a pullup. Parents should also have an extra change of clothes for the child in their bag that gets left, just in case. Our team has extra bags in the nursery to put wet/dirty clothes in for children who are potty training or just have a diaper failure. While we do our best to help kids in whatever stage they are at, partnering with us in this way will help minimize accidents for kids and clean-up for our leaders. Please chat with Pastor Lorelle if you have any questions.
